CARLOS ALBERTO MONTOYA HIDALGO

Computer Engineering Graduate

carlosmh561@gmail.com

 Las Palmas de Gran Canaria, Vecindario, Spain

PROFESSIONAL PROFILE

Computer Engineering graduate with solid training in programming and software development. Looking for a position where I can apply my technical knowledge and continue growing professionally. I consider myself a proactive person, with great learning capacity, team-oriented and results-focused. Always willing to face new challenges and keep learning.

PROFESSIONAL EXPERIENCE

2Coders - Web Developer (External Internship)

Las Palmas de Gran Canaria | November 2024 - January 2025

- Development of web applications with React, Next.js and SCSS
- Integration of Headless CMS Strapi for content management
- Collaborative work in Agile environments

Freelance Projects - Web Developer and E-commerce

Online | December 2024 - February 2025

- Creation of customized online stores with Shopify for independent clients
- Delivery of ready-to-use projects for small businesses and entrepreneurs
- Some pages were sold directly as ready-to-publish solutions
